Attn: Don MacLachlan

Dear Don,

We are pleased to provide the following proposal for your consideration regarding your 2023 paving project that we have been discussing. All pricing is based on NYS OGS and various other local municipal bids that provide the services necessary to meet your scope of work requirements.

Location of Project:

Platt Road to furthest paved parking lot (approximately 1,292 feet from Platt Road).

Scope of Work: Sweep area to be paved. Apply a diluted tack coat with a heated and calibrated tack truck distributor at an application rate of .06 Gal/SY. Pave the treated surface with a 2" (compacted depth) Type 6 asphalt top course. Re-install asphalt speed humps in inventoried positions. Provide traffic control. Pricing includes: all equipment, labor, trucking of material, new asphalt, mobilization, and management to perform work in a professional and efficient manner.

Estimated completion time: (1) one day for paving.

Pricing:

Marcellus Park Parking Lot: Approx. 1,292 x 16-70'	
Approx. 700 tons Type 6 Top and 360 Gallons Tack.....	\$82,600.00
Lump Sum Excluding Tax.....	\$82,600.00

Town of Marcellus Responsibilities:

Northern will handle all aspects of the project.

Notes:

- 1). Estimated quantities do not include additional material which may fill/correct road elevations.
- 2). Quantities are estimates only and are subject to verification by field measurements and conditions.
- 3). While paving operations may improve roadway drainage, no guarantee is made unless specifically addressed prior to starting work.
- 4). Does not include any work to driveways including grade elevations that may change as a result of the milling and paving operations.
- 5). Asphalt pricing is based on the NYSDOT Asphalt Index for April 2023 @ \$612.00/ton and is subject to adjustment (either up or down) at the time of placement.
- 6). Prices do not include tax and are good for 30 days.
- 7). Asphalt materials are based on depth after compaction and no guarantee is stated or implied as to the actual quantities that are placed or required and in all cases, payment shall be based on the actual tons of asphalt placed.
- 8). Striping and structure adjustments are not included in this contract.
- 9). Project will be re-quoted with the addition and omission of work.

We thank you for the opportunity to quote this project and look forward to working with the Town of Marcellus. If you have any questions or require further information, please don't hesitate to call me at 315-427-9332 (cell phone) or e-mail:
