Re: Speed reduction on Route 174 in the Town of Marcellus

Dear Ms. Vedder-Brearton:

The Town of Marcellus is asking the NYS DOT to conduct a traffic study on Route 174 starting at Route 20 and continuing to the current 40mph sign approximately 1.5 miles south of the Route 20 intersection. A rise just south of Schuyler Road creates a blind hill that has the potential to cause a serious accident(s). The Town of Marcellus is in support of the residents seeking a speed limit reduction from 55mph on this portion of Route 174. The Town Board Members have concerns that a reduction of the speed limit may reroute traffic to surrounding roads that will have a negative impact. While conducting your study please take that into consideration.

Enclosed please find a letter and petition from the residents requesting a reduction of the speed limit on Route 174 in the Town of Marcellus.

Sincerely,

Laurie Stevens
Marcellus Town Supervisor
