Our deluxe motor coach will depart from Town of Marcellus, 22 East Main Street for Corning, NY. We will make a rest stop on the way. Join us for a fun day!

Upon arrival at the **Corning Museum of Glass** we will meet our greeter from the museum, and get checked-in, explain the museum tour map, live demonstration schedule, answer any questions you have and go over the pumpkin glass making schedule for the day.

Group will be split for workshop - **10:30am Group A /11:30am Group B: Pumpkin Glassblowing:** A seasonal favorite, this experience allows you to work with hot glass up close while always staying on the cool end of the glassblowing iron. You will start by choosing the glass colors you want to use and then partner with our professional glass blowers to create your design. You will use a foot pedal to add compressed air into the blowpipe and watch as the pumpkin inflates and the glassblower guides and shapes the glass with special tools. After your pumpkin is shaped, it is removed from the blowpipe, a glass stem is added, and it is placed in an oven to begin an overnight slow cooling process. During the time you are not in your pumpkin workshop, you will enjoy the museum along with live demonstrations.

***Glass pumpkins will be shipped to ONE ADDRESS – Town of Marcellus. ***

Take a break during your visit. Eat in the soaring, light-filled spaces of the Café, which offers dining options for visitors. A **\$20.00 lunch voucher** is included for lunch at the museum café. Following lunch enjoy more free time at the museum, watch a live demonstration, and visit the gift shop.

Depart for **Sauder's** where we will enjoy free time for shopping, a break and if needed a snack before heading home. We will depart for home by 5:30pm anticipating our arrival to be 6:15pm.
