In an effort to make your community more disaster ready and resilient, Onondaga County and the Town of Marcellus are seeking public feedback on the 2025 Onondaga County Multi-Jurisdictional Hazard Mitigation Plan. This Plan serves as a guide to the County and its jurisdictions on how to become more resilient to the impacts of natural hazards. Interested residents and business owners have until May 31, **2025** to review and provide comments on the Plan before it is submitted to the State and FEMA for review and approval.

The 2025 Onondaga County Multi-Jurisdictional Hazard Mitigation Plan is comprised of Volume 1, which covers the countywide planning elements, and 36 annexes – one (1) for each municipality and the Onondaga County Water Authority. The draft Plan (Volume 1 and annexes) is available for download at: <http://www.ongov.net/planning/haz.html>.

Please use the following comment form to submit your feedback on the Plan to the Onondaga County Department of Planning: s.alchemer.com/s3/OnondagaCountyHMPCCommentForm.

Your feedback will help shape the 2025 Onondaga County Multi-Jurisdictional Hazard Mitigation Plan.

Onondaga County and its jurisdictions (i.e., city, towns, villages, special districts) are completing a five (5) year update of the **Onondaga County Multi-Jurisdictional Hazard Mitigation Plan (HMP)**.

This Plan is an effort to make your community more resilient, to provide a basis for identifying and managing natural hazards, and to meet federal, state, and local requirements for hazard mitigation grant funding.

The Plan identifies and assesses risks the County faces from natural hazards, and outlines strategies the County and jurisdictions have identified for reducing the impacts of these hazards.

Public involvement is a key part of this update process, and we encourage residents to review the Plan and share their feedback. Participate in this update process by following the instructions below:

1. Access and view the draft Plan via the following webpage: ongov.net/planning/haz.html. **You can use one of the library computers!**
