Jump aboard our motor coach for a magnificent fall voyage. We have arranged for an exciting fall adventure to The **Sebasco Harbor Resort** in Phippsburg Maine. Spend three nights at the beautiful Sebasco Harbor Resort, nestled among whispering pines on the rugged coast lies a retreat of quiet comfort and rejuvenation where beauty and tradition abound. Experience the freedom, natural beauty and endless outdoor recreation that are the essence of a pure Maine vacation experience, amidst 450 acres of woodland, waterfront, gardens and golf course (club rentals available) at a resort with breathtaking views.

We will start our stay in Maine with a **guided tour of Camden, Rockport and Rockland**. Hear the history and seafaring legends of these mid-coast Maine villages. Visit the **Maine Prison Store** where you will find unique, high quality handcrafted souvenirs made by the prisoners at the Maine State Prison. Enjoy a lobster dinner (other meal choices available) at Spinney's Restaurant, located on beautiful Popham Beach in Phippsburg.

On day three we will venture to **Maine Maritime Museum**, where we will begin the day with a one-hour **Shipyards & Lighthouse Cruise**. This cruise will head up river for a chance to see the neighboring Bath Iron Works Shipyard and then down river to see two of the Kennebec Rivers Lighthouses. After the cruise we will have a guided tour of **Percy & Small Shipyard** which focuses on the history of wooden shipbuilding, historic shipyard buildings and exhibit galleries. We will dine this evening at the Taste of Maine Restaurant; enjoy your meal as you overlook Pleasant Cove, one of the prettiest waterfronts in Maine!

Before we head home on the last day we will depart for Freeport Maine. Wander the streets, shop at L.L. Bean and other retail stores and outlets. All this is included plus much more!
