While traveling along the Erie Canal, your captain will be leading the tour and sharing many interesting facts. We will finish this fun day with a stop at Becker Farms for pie, coffee, and a wagon ride.

Please wear your walking shoes as there are some steps! As an alternative, a movie will be offered for those not wanting to navigate the stairs. Finally, we will board the boat and make a quick stop on Heart Island.

### Corning Museum of Glass

October 2nd, 2024. Depart at 7:15am return at 6:15pm.

Upon arrival at the Corning Museum of Glass we will meet our greeter from the museum, and get checked-in, explain the museum tour map, live demonstration schedule, answer any questions you have and go over the pumpkin glass making schedule for the day. Pumpkin Glassblowing: A seasonal favorite, this experience allows you to work with hot glass up close while always staying on the cool end of the glassblowing iron. You will partner with our professional glass blowers to create your design, using a foot pedal to add compressed air into the blowpipe and watch as the pumpkin inflates and the glassblower guides and shapes the glass with special tools. A \$20.00 lunch voucher is included for lunch at the museum café. Following lunch, enjoy more free time at the museum, watch a live demonstration, and visit the gift shop. Afterwards, we will depart for Sauder's where we will enjoy free time for shopping, a break and if needed a snack before heading home.

Registration and a \$75/person deposit is due by August 9th, with the remaining balance of \$50/person due by September 3rd. Contact the Town of Marcellus Parks and Recreation at 315-673-3269 Ext. 2 or visit us online to register.

## A Note from the Supervisor

First, I would like to thank you for electing me to serve as the Town Supervisor. Spring is upon us. There are a lot of activities starting for the year. We are getting ready for spring trash days and permits are available at the Town Clerks office, while there the clerks can also help with dog licenses, hunting & fishing licenses, and passports. (If you are planning a trip and need a passport please keep in mind and plan early current processing times can take up to 14 weeks). The parks & recreation departments are busy with pavilion rentals, they are filling up fast so plan early to get yours reserved for your family summer picnics. We have all settled into our new offices, if you have not had a chance to see them stop in and ask for a tour. As always, we are here to serve the members of our great community. If you have any questions, concerns or recommendations feel free to reach out to us.

Laurie Stevens  
Town Supervisor
