## Youth Recreation Programs

Look for the summer brochure, coming out in May. The brochure will detail the many summer opportunities and camps we will be offering, including the morning playground program that runs during the month of July for grades K-6. Other camps include: soccer, tennis, golf, horse camp, wrestling, theatre, LEGO, arts & crafts and more! Once again, we will be having our Hoop Mania camp, for the 26th year! The brochure will detail all these great opportunities and will include a registration form. You will also be able to register on our website (go to the link for Community Pass) or stop in or call the Recreation Department and we can help you with your registrations. We are also planning many fun field trips again this summer. We will have more information about the field trips in July. High school students who are interested in working for our summer programs can pick up an application at the Recreation Department. We are accepting applications until the end of April.

## Marcellus Community Band

Directed by Josh Nightingale, the Community Band is open to all area adults, current and former high school students and advanced middle school students. There will be 3 rehearsals (July 12, 19 and 26) with a final outdoor performance for the community on August 1-3 (Date to be determined by weather). There is no fee to participate. Durant and a bus tour of Old Forge with a step-on guide. Following the tour, you will have time to visit the shops on your own. In the fall, on October 11th, we will be seeing the beautiful hills of Western NY with their fall foliage aboard the Arcade & Attica Railroad. Lunch is included at Chanderson's Steak and Seafood Restaurant before the train ride, and shopping at your own pace at the Made in America Store after the train ride. We wish Sandy Elsey the best in her new endeavor with another municipality, and welcome Jane Attley to the position of Assistant Director of Parks and Recreation. We also welcome Rosemary Tozzi to the Town Clerk's office, as Deputy Clerk.

### **A Note From our Town Supervisor:**

"I hope the residents of the Town are as proud as we are with the new Town Hall. We have occupied the new offices for just over a year. It is everything we could have wanted. I want to express my heart-felt gratitude for the residents' support in this wonderful achievement. Please stop by to have a look. Once you are here, stop by the Town Clerk's office. That office provides many services to the residents such as; hunting and fishing licenses, processing passports, dog licensing and much more. All of us at the Town Hall are here and ready to serve you!"
